

Data Dictionary - SINAN Occupational Accident Records

Variable	Variable Name	Variable Type	Description	Allowed Values
Type of notification	TP_NOT	VARCHAR2(1)	Identifies the type of notification. Mandatory field when filling out SINAN report	In the case of occupational accidents, they always receive the value 2, which represents the record of an outbreak
Health disorder	ID_AGRAVO	VARCHAR2(5)	Table of health disorders following the International Classification of Diseases (ICD-10) and names of diseases classified as mandatory notification	Always receive the value Y96 corresponding to the ICD-10 code for occupational accident
Notification date	DT_NOTIFIC	DATE / NUMBER(8)	Date when the notification form was filled out	Date in the format: (dd/mm/yyyy)
Notification epidemiological week	SEM_NOT	NUMBER(6)	Epidemiological week when the record was notified	Automatically filled out based on the date of notification
Year of notification	NU_ANO	NUMBER(4)	Year of the notification	Internal variable automatically filled based on the date of notification
FU of the notification	SG_UF_NOT	NUMBER(2)	Abbreviation of the Federal Unity (FU), state, where the health unity that registered the notification is located	Standardized code values and abbreviations as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Notification municipality	ID_MUNICIP	NUMBER(7)	Code of the municipality where the health unity that registered the notification is located	Standardized codes values and municipalities names as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Health regional	ID_REGIONA	NUMBER(4)	Health regional code related to the municipality where the notification was recorded	Standardized code
Health unity or other notification source	ID_UNIDADE	NUMBER(7)	Name and code of the health unity or other notification source that treated the victim and notified the case	Standardized codes and names from the National Registry of Health Establishments (CNES) table
Accident date	DT_ACID	DATE / NUMBER(8)	Date when the accident occurred	Date in the format: (dd/mm/yyyy)
Week of the accident	SEM_ACID	NUMBER(6)	Epidemiological week when the accident occurred	Automatically filled based on the accident date (AAAASS)
Age	NU_IDADE_N	NUMBER(4)	Patient's age. When there is no date of birth, the age should be entered according to information provided by the patient, such as that reported at the time of the onset of symptoms, or, in the absence of this information, the apparent age should be recorded	The variable composition follows this criterion: first digit: 1. Hour 2. Day 3. Month 4. Year Ex: 3009 – nine months, 4018 – eighteen years

Gender	CS_SEXO	VARCHAR2(1)	Patient's gender	M- Male F- Female I- Ignored
Pregnant	CS_GESTANT	NUMBER(1)	Patient's gestational age	1- 1st Trimester 2- 2nd Trimester 3- 3rd Trimester 4- Gestational age unknown 5- No 6- Not applicable 9- Ignored
Race/Color	CS_RACA	NUMBER(1)	The color or race declared by the person is considered to be:1. white2. black3. yellow (person who declared themselves to be of yellow race)4. brown (person who declared themselves to be mulatto, caboclo, cafuzo, mameluco or mixed race of black with a person of another color or race)5. indigenous (person who declared themselves to be indigenous or Indian)	1- White2- Black3- Yellow4- Brown5- Indigenous9- Ignored
Education	CS_ESCOL_N	NUMBER(1)	The grade level the patient is attending or has attended, considering the last grade level completed with a passing grade, or the patient's level of education at the time of notification	0- Illiterate 1- Incomplete 1st to 4th grade of Elementary School (former primary or 1st level) 2- Complete 4th grade of Elementary School (former primary or 1st level) 3- Incomplete 5th to 8th grade of Elementary School (former middle or 1st level) 4- Complete elementary school (former middle or 1st level) 5- Incomplete high school (former high school or 2nd level) 6- Complete high school (former high school or 2nd level) 7- Incomplete higher education 8- Complete higher education 9- Ignored 10- Not applicable
FU of residence	SG_UF	NUMBER(2)	Abbreviation of the Federative Unit of residence of the patient at the time of notification	Standardized code values and abbreviations as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Municipality of residence	ID_MN_RESI	NUMBER(7)	Code of the municipality of residence of the notified case	Standardized codes values and municipalities names as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Health regional	ID_RG_RESI	NUMBER(4)	Regional health district where the municipality of the health unit or other reporting source is located	Standardized code

Country	ID_PAIS	NUMBER(2)	Country of residence of the patient at the time of notification	For residents outside of Brazil. Tabulated codes and names of the countries
Occupation	ID_OCUPA_N	VARCHAR2(6)	Occupation of the victim	Tabulated following the Brazilian Codes of Occupation (CBO)
Employment Situation	SIT_TRAB	NUMBER(2)	Employment status of the victim	01- Registered employee with signed work card 02- Unregistered employee 03- Self-employed/own account 04- Statutory public servant 05- Public servant under CLT (Consolidation of Labor Laws) 06- Retired 07- Unemployed 08- Temporary work 09- Cooperative member 10- Casual worker 11- Employer 12- Other 99- Ignored
Working time in the occupation	NUTEMPO	NUMBER(3)	Unit of time to represent working time in the occupation	1 = (hour) 2 = (days) 3 = (months) 4 = (years)
Working time in the occupation	TPTEMPO	VARCHAR2(2)	Total working time in the occupation	Working time in the unit defined before
Location of the accident	LOCAL_ACID	VARCHAR2(1)	Location where the work accident occurred	1- Contractor's premises 2- Public road 3- Third-party premises 4- Own residence 9- Ignored
CNAE Code	CNAE	VARCHAR2(6)	Employer's Economic Activity Code (CNAE)	Tabulated Values
FU Employer	UF_EMP	NUMBER(2)	Abbreviation of the Federative Unit of the employer	Standardized code values and abbreviations as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Employer Municipality	MUN_EMP	NUMBER(7)	Code of the municipality of the employer	Standardized codes values and municipalities names as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Outsourced Employer	TERCEIRIZA	NUMBER(1)	The employer is from some outsourced company	01- Yes 02- No 03- Not applicable 09- Ignored
CNAE Outsourced Company	CNAE_PRIN	VARCHAR2(6)	If the employee is from an outsourced company, what is the company's CNAE	Tabulated Values
Hour of the accident	HORA_ACID	NUMBER(2)	Hour when the accident occurred	From 0 to 23

Minute of the accident	MIN_ACID	NUMBER(2)	Minute when the accident occurred	From 0 to 59
Hours after the start of the workday	HORA_JOR	NUMBER(2)	How many hours after the start of the workday did the accident occur?	From 0 to 23
Minutes after the start of the workday	MIN_JOR	NUMBER(2)	How many minutes after the start of the workday did the accident occur?	From 0 to 59
Accident FU	UF_ACID	NUMBER(2)	Abbreviation of the Federative Unit where the accident occurred	Standardized code values and abbreviations as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Accident Municipality	MUN_ACID	NUMBER(7)	Code of the municipality where the accident occurred	Standardized codes values and municipalities names as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Accident ICD	CID_ACID	VARCHAR2(5)	Accident cause code according to ICD-10	ICD-10 tabulated values
Type of accident	TIPO_ACID	NUMBER(1)	Defines the type of accident. A typical accident refers to a specific activity performed at work; a commuting accident refers to an accident that occurred on the way to or from work	1 – Typical 2 – Commuting 9 – Ignored
Other workers involved	MAIS_TRAB	NUMBER(1)	Reports whether other workers were involved in the accident	1 – Yes 2 – No 9 – Ignored
Number of workers involved	NU_TRAB	NUMBER(1)	If the previous field was yes, it is needed to inform the number of workers involved	Number of workers involved in the accident
Medical care	ATENDE_MED	NUMBER(1)	Indicates whether medical care was provided	1 – Yes 2 – No 9 – Ignored
Medical care date	DT_ATENDE	DATE / NUMBER(8)	Date of the provided medical care	Date in the format: (dd/mm/yyyy)
Medical care FU	UF_ATENDE	NUMBER(2)	Abbreviation of the Federative Unit where the medical care was provided	Standardized code values and abbreviations as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Medical care municipality	MUN_ATENDE	NUMBER(7)	Code of the municipality where the medical care was provided	Standardized codes values and municipalities names as defined by the Brazilian Institute of Geography and Statistics (IBGE)
Medical care health unit	UNI_ATENDE	NUMBER(7)	Name and code of the health unit or other notification source that provided the medical care for the victim	Standardized codes and names from the National Registry of Health Establishments (CNES) table

Body parts affected 1	PART_CORP1	VARCHAR2(2)	Indicates the body parts affected in the accident (3 fields available for completion)	01- Eye 02- Head 03- Neck 04- Chest 05- Abdomen 06- Hand 07- Upper limb 08- Lower limb 09- Foot 10- Whole body 11- Other 99- Ignored
Body parts affected 2	PART_CORP2	VARCHAR2(2)	Indicates the body parts affected in the accident (3 fields available for completion)	01- Eye 02- Head 03- Neck 04- Chest 05- Abdomen 06- Hand 07- Upper limb 08- Lower limb 09- Foot 10- Whole body 11- Other 99- Ignored
Body parts affected 3	PART_CORP3	VARCHAR2(2)	Indicates the body parts affected in the accident (3 fields available for completion)	01- Eye 02- Head 03- Neck 04- Chest 05- Abdomen 06- Hand 07- Upper limb 08- Lower limb 09- Foot 10- Whole body 11- Other 99- Ignored
Injury ICD	CID_LESAO	VARCHAR2(5)	Injury caused by the accident's code according to ICD-10	ICD-10 tabulated values
Treatment regimen	REGIME	VARCHAR2(1)	Indicates the treatment required for the patient	1- Hospital (Inpatient) 2- Outpatient 3- Both 9- Ignored
Case evolution	EVOLUCAO	NUMBER(1)	Reports how the patient's case evolved	1- Cure 2- Temporary disability 3- Permanent partial disability 4- Permanent total disability 5- Death due to serious work accident 6- Death due to other causes 7- Other 9- Ignored

Death date	DT_OBITO	DATE	If the previous field is 5 (death due to serious work accident) or 6 (death due to other causes), fill in the patient's date of death. In other cases, leave the field blank	Date in the format: (dd/mm/yyyy)
CAT Emission	CAT	NUMBER(1)	Indicates whether the Communication of Work Accident (CAT) has been issued	1- Yes 2- No 3- Not applicable 9- Ignored
